

Could You be saving \$500,000/year on your metal spray costs?

If thermal spray more than 100,000 sq ft. of zinc,
If you are spending more than \$10 per sq. ft.,
Use more than 5 metal spray operators,
The Pivot Arc Spray System could save you \$500,000 a year.

The Pivot Arc Spray System invention is the
culmination of over 45 years of experience

Bob McDemus
The Thermal Spray Guy

ARE YOU:

- Having metal spray labor issues such as:
 - Finding operators...
 - Affording them...
 - Training them...
 - Losing them to injury...
 - Retaining them...
- Dealing with DOT quality testing issues
- Missing delivery schedules due to coating issues
- Wanting to improve your throughput
- Using far more spray wire than originally estimated
- Needing to improve your quality
- Understanding the need for full automation
- Wondering if OSHA is going to fine you
- In a position to invest capitol with a two-year payback
